# technologyforall

*We empower communities through technology.*

## Summary

The Texas Connects Coalition is offering fun, free tech events from July 30th to August 3rd. Broadband Across Texas Week is a chance for all Texans to *Learn. Click. Do.* in their own communities. Come for the prizes, stay for the skills!

## TXC2 Announces Broadband Across Texas Week!

**Join us for fun, free tech events in our centers!**

The Texas Connects Coalition, a federal grant-winning project by TFA and Austin Free-Net, is excited to announce the first Broadband Across Texas Week!

From July 30 to August 3, participating centers will be filled with free, fun tech events for the public. Join us for SKYPE skills, games, job search assistance, prizes and more, every day! (And if you're in any of TFA's Houston, San Antonio, or rural centers, ask how you can win a free iPad 2 or gift card to Best Buy!)

Read the release for more information, and stay updated on Facebook and Twitter!
